PASCALE BIRCHLER

1982, Zug (CH)

Lives and works in Zurich (CH)

"The poetic image is always new and corresponds neither to the past nor reality but belongs to a future we can only imagine."

Pascale Birchler studied illustration in Hamburg, Germany, and completed her Bachelor's and Master's degrees in Fine Arts at HKB in Bern, Switzerland. Between 2011 and 2017, she collaborated with her twin sister, Arienne Birchler. In 2023, she had a full-year residency at ISCP in New York, USA, where she debuted her solo exhibition at Fragment Gallery.

Her work has been exhibited in numerous venues worldwide, including Istituto Svizzero in Rome, Italy; UCCA Edge in Shanghai, China; White Space in Beijing, China; Gallery Peter Kilchmann in Zurich, Switzerland; and Museum Helmhaus in Zurich. For 2024, she has two upcoming solo shows: in May at Last Tango, Zurich, and in October at Kunsthalle Lucerne, Switzerland.
